August 3, 2009

Sir:

Applicants received a Notification of Non-Compliant Appeal Brief dated July 16, 2009. That Notification, a copy of which is attached, indicated that the Appeal Brief which was filed on April 7, 2009, was non-compliant because dependent claims 2 and 4-8 must be identified and the structure, material, or acts described in the specification as corresponding to each claimed function must be set forth with reference to the specification by page and line number, and to the drawing, if any, by reference characters.

Accordingly, Applicants submit herewith an Amended Appeal Brief which has been revised to correctly reflect all sections as required by the MPEP.

In the event that there are any fees due with respect to this paper, please charge
Counsel's Deposit Account 50-2222.

Respectfully submitted,
